

Services

Service, not sales!

Service is what we do. Sometimes we sell parts with our service. Service is our product, our bread & butter. We want you to be able to tell us how we are doing. Our most significant steps seem to usually come from somebody being honest with us.

For more [about us](#), please see that page.

Preventative Maintenance

We perform annual preventative maintenance as outlined in NFPA ~~1911~~ 1910. Annual is typical, although we often schedule per request.

Example PM report

Repairs

We work on anything 'fire truck' related. We do truck chassis work, such as brakes, On-Spots, steer cylinders/hoses. We also do some engine repairs, excluding internal engine repairs.

Some examples of repairs we do:

- Valve rebuilding
 - Packing/mechanical seal replacement
 - Internal pump and pump transmission repair
 - Any Electrical- DOT lights, warning and scene lighting, starting/charging, pump interlock
 - Generators, engine and hydraulic
-

Performance Testing

On-site NFPA 1911 performance testing.
