- Service, not sales. We are not motivated by sales. Service is our product.
- We Listen. Whether it's about your truck, or a suggestion for us improving.
- Must know **why** it broke. Replacing non-maintenance parts as a troubleshooting step is not what we do. We find a way to prove what the problem is. It's the only way to be sure the problem is fixed!

Training

E.V.T. Class for F3 & F7 is scheduled for February 12-15, 2024. EVT test planned for 2/16/24.

Class instruction by Jay Rought (formerly of Waterous Co.). Check out his website for bio and more class information: https://firepumptraining.com/.

Class location is to be determined, but will be near Bridgewater.

The class is open to anyone. More info to come.
